

Recent Operations

By Paul Radin

Past presidents of the Pahoehoe Rotary club furnished the program yesterday at the regular meeting. Those who have served as president of the club along with their secretaries are as follows:

1929 Howard Sharp, L. M. Lair
1930 G. McLeary, A. Dobrow
1931 W. F. Jennings, E. G. Kipkirk
1932 H. L. Lapp, V. C. Denton
1933 J. A. Tolle, V. C. Denton
1934 Abe Dobrow, V. C. Denton
1935 B. Elliott, Paul Radin
1936 L. L. Stuckey, Paul Radin
1937 E. Kipkirk, R. H. Gibbins
1938 V. C. Denton, J. Y. Thomas
1939 W. C. Young, F. L. Martin
1940 T. W. Knight, J. Y. Thomas
1941 J. Y. Thomas, J. Y. Thomas

J. A. Tolle and G. C. McLeary, who served as president are the only two who are not members of the club today. Howard Sharp, the first president, is the club's only honorary member.

All the past presidents, with the exception of J. A. Tolle, participated in the program yesterday. Each recited the accomplishments during his administration and each received a hearty round of applause for his speech.

The club received its charter on November 23, 1929 and its membership in Rotary International was sponsored by the Homestead Club. Club members of the club were: Abe Dobrow, B. Elliott, W. F. Jennings, E. G. Kipkirk, Jr., H. L. Lapp, L. M. Lair, J. A. Tolle, V. C. Denton, J. Y. Thomas, G. C. McLeary, L. S. Powell, Howard Sharp, L. L. Shirley, W. G. Smith, D. S. Spooner and Harry W. Williams. All of these names are still members.

The September issue of the Florida Newspaper News, published by John C. Lochner at Glenwood, included my desk this morning. It contains 48 pages of interesting reading matter concerning men and women who are making a name for themselves in the newspaper business. John C. Lochner and I attended the 56th annual convention of that organization in Jacksonville in April. Mr. Lochner has done a splendid piece of work in turning out such an outstanding edition. I know it took a lot of hard work but the result is well worth the effort. In the edition Mr. Lochner has compiled a list of names which are the names and thousands of lines of free publicity that this state has received in newspapers throughout the nation as a result of his work. I say to Mr. Lochner—it's a job well done. Congratulations.

Heavy Rains Play Havoc With Beans In Lake Farm Area

Some Growers Think Rainfall Is A Blessing In Disguise

Lake Region farmers' hopes were blasted for several days during the latter part of last week when heavy rain continued to fall. Many thought their efforts to raise a fall crop were completely ruined. However, there were a few who thought the heavy rains a blessing in disguise—cutting down the acreage to plant where offerings will bring profitable prices when picking time comes.

To the casual observer the most vivid proof of the rain is the fact that between Pahoehoe and Belle Glade while other sections of the Lake farming area suffered minor damage, the Pahoehoe and Belle Glade Harbor sections had little damage from the rainfall. Fields in and around Canal Point and Sand Cuts were little damaged.

Planting of beans at this particular time is for early pick. Last year, it has been reported by those who keep close contact with the farmers. This condition has been a blessing in disguise, as the new bean seed. Had the growers been able to get all the seed they wanted for early pick, there would have been thousands of acres more already planted, these farmers believe.

One condition which is prevalent during the coming months, it is thought by many growers, is the fact that the weather is so unpredictable that pickers and packers will be hard to get with a great deal of delay. This is due to the fact that the weather is so unpredictable that pickers and packers will be hard to get with a great deal of delay.

Packing house operators are beginning to get their machinery in shape for the coming season. Some operators report that they are experiencing a bit of difficulty in getting the season to get underway. Other report that they are experiencing a bit of difficulty in getting the season to get underway.

Sugar Company To Issue Stock

Washington, Sept. 25—The United States Sugar Corporation Tuesday filed with the securities and exchange commission a registration statement covering 200,000 shares of new \$25 par value series A convertible preferred stock and 562,500 shares of common stock reserved for conversion purposes.

It is proposed to offer the series A preferred stock through non-transferable privileges to registered common and preferred stockholders of the corporation at the

close of business Nov. 10, 1941, or 10 days after the effective date of the registration statement, whichever is later, subject to approval of necessary amendments to the certificate of incorporation and bylaws at the annual meeting of stockholders scheduled to be held Oct. 21.

Of the proceeds, it is estimated that more than \$2,500,000 will be used for capital investments in connection with an expansion and diversification program of the corporation. In addition to present products, consisting of raw sugar, molasses, lemon grass oil and cattle feed, the corporation proposes to extend its activities to in-

Communication

Mr. Paul Rardin
Canal Point, Florida

Perhaps you might like to announce in your papers an item relating to Bulletin 360 which has just come off the press. The title of this bulletin is "Cattle Feeding in South Florida" by R. W. Kidder and W. G. Kirk and it reviews the cattle feeding work that has been carried on at this station for the past several years. These feeding experiments were first conducted in feeding pens and are now carried on with the emphasis on pastures.

The bulletin also contains a section discussing "Factors influencing cattle feeding in South Florida." In it may be found suggestions and recommendations which should be helpful to a farmer or rancher who is contemplating the buying and feeding of steers or other cattle.

Copies of this bulletin may be obtained free by calling either at this station or at the office of County Agent, Mounts, County Court House, West Palm Beach. Copies may be obtained through the mail by sending a Post Card either to the office of the County Agent or to the Agricultural Experiment Station, Gainesville, Florida.

Very truly yours,

CANAL POINT SCOUTS
The Boys Scouts of Canal Point are getting under way in a big way in their program for the coming winter. The boys had an enjoyable ice cream feed for their Scout hut last evening under the direction of their leaders. The patrol troop, No. 24, has 21 boys registered at the present time.

REV. FENDLEY SPEAKS TO ASSOCIATION

The Baptist Training Union Association of the Lake region met at Canal Point Baptist Church for its September meeting Tuesday evening at 8:00 o'clock. The business session was conducted by Pres. Donald Weeks, after which a program was rendered by the members of the local church. A short three act play was presented by Misses Eleanor Chastain, Louise Sims, Cleo Taylor, Dorothy Chastain. The boys playing in it were James Weeks, Edward Smith and Dick Bordeaux. Musical numbers were rendered by Mr. W. L. Cunningham and daughter Edna, both of Belle Glade and Eleanor Chastain assisted by Minnie Ruth Flowers.

Rev. E. P. Fendley, pastor of the First Baptist Church of Delray Beach, presided at the meeting. His subject was "Practical Plans for Practicing the Presence of God."

Refreshments were served to about 75 young people as they mingled in the lighted yard of the church. The October session will be held in Clewiston.

FFA PARENTS SPECIAL GUESTS OF FFA GROUP
At the October 6th meeting of the Pahokee Parent Teacher association parents of the FFA members will be special guests as will be members of the Elks lodge. The meeting will be held in the Pahokee high school auditorium and members of the PTA group are anxious that as many parents as possible be in attendance since an interesting program has been planned.

ONE WAY TO LEARN ABOUT PRICES

How can I going to learn about prices? Gardie asked. "I have no more idea,"

Lila said, smoothly, "You'll learn. It's not really difficult. You have your records. You pay so much for a property originally. You add on however many years of taxes you've shelled out, sometimes insurance, sometimes mortgage interest. Then you figure whether the value's been going up or down and what your buyer thinks he's getting and what he expects to pay. Add it up, shake well, and serve.—McCall's Magazine.

DIMP'S BARBER SHOP IS IN NEW LOCATION

Dimple McCallan, proprietor of Dimp's Barber Shop in Canal Point, has moved his shop and home from the Lake Front road to two lots he recently purchased just east of the Tucker building. The house and barber shop were moved to the new location last week and Mr. McCallan is ready for business in his new stand. The barber shop has been equipped with fluorescent lights and the exterior will be completely repainted.

Gas Curfew Is Expected To Pass

Miami, Sept. 25—"Gasoline curfew and rationing will be a thing of the past long before Florida's winter season starts," reports Hal Leyshon, well known former Florida newspaperman from New York. Leyshon is now connected with the firm of Leyshon Sadler, Inc., Miami and New York publicists.

In New York on a business trip, Leyshon reported that "Northern resorts have enjoyed their biggest summer, and I don't see how we can miss in Florida this winter." In Washington, Leyshon said he found a general belief prevalent that night closings of filling stations and rationing of fuel will be discarded shortly and that ample supplies will be available for the tourist season.

Oil Companies Eyeing Florida

Punta Gorda, Sept. 25—Evidence that big oil companies still have their eyes on Florida and consider this good prospective territory, was shown last week when the Humble Oil & Refining Company of Houston, Texas, renewed oil leases made with land owners in this area a year ago. A total of \$2,500 was paid local property owners and covers several thousand acres in this section. The leases cover oil, gas and mineral rights that might be developed on these lands.

PROTECTION FIRST!

SINCLAIR OPALINE MOTOR OIL

This mark gives protection against attack by rust. Opaline Motor Oil protects engines against attack of acid and friction.

Make protection your first thought when you buy motor oil for your car. Make sure the oil does not contain any "5th Columnist" wax and petroleum jelly—those non-lubricating substances that turn water-thin in heat!

You can be sure you're buying Sinclair Opaline Motor Oil. Opaline is free of wax and petroleum jelly by an extra refining process. It protects your engine on the hottest day. And it lasts so long it saves you money! Play safe and save money. Ask your nearby Sinclair Dealer for Sinclair Opaline Motor Oil.

Moberg Announces Special Sermons

A special series of sermons based upon the events of the day will be started Sunday at the First Baptist Church of Pahokee. The pastor, Rev. C. A. Moberg, a student of the PROPHETIC MESSENGER, has delivered this line of thought to audiences of thousands throughout the country, with much favor. At the morning hour of eight, the subject will be "As it was in the days of Noah, so shall it be in the days of the coming of the Son of man."

The following and other questions will be answered during the series, all according to the Bible: What is prophecy? Is the Bible a prophetic book? Was Christ's first coming predicted? By whom? What is the mission of the Jews upon the earth? Are they fulfilling it? Why their persecution? Is Hitler a man of destiny? Is he about to conquer the world? Is Hitler in the Bible? Why? What does it suggest? Why does Hitler hate the Jews? Does he hope to conquer the world?

What is a world dictator possible? Will Christ return personally? When? Where? How? Why? Will the Jews return to Palestine? Universal Brotherhood? Are Hitler, Stalin and Mussolini the three unclean forces? Will the Jews return to Palestine? Why? When? Willingly? What is the very next prophetic event? What is the sign? What is the fig tree sign? Are the Jews interested?

What about the Zionist movement? Whom? fish? Hunt? Will the Jews return? When? How? What about Habakkuk? These and other questions will be answered during the series, which will be held at the church, 1000 N. W. 1st St., Sunday, Sept. 29, 8:00 a. m.

Those who attend are invited to bring their Bibles and take notes.

The usual musical program, consisting of congregational singing, suggested by the musical family consisting of orchestra, senior and junior choirs, will be presented under the direction of Mrs. F. E. and Mr. Cowart.

Mrs. Armstrong Named Secretary

Mrs. L. W. Armstrong was named secretary of the Mabel Simonson Circle Methodist Women at the first meeting of the fall season held at the home of Mrs. Robert Armstrong, Monday afternoon. Mrs. Armstrong succeeds Mrs. George Lovett and will serve in this position the regular election in January.

Mrs. G. B. Rimey, chairman, presented. Mrs. J. F. Colson was invited to conduct Mrs. V. C. Denton in regard to floral decorations for the church. Mrs. R. Earl Smith was appointed to work with Mrs. J. E. York on the greeting committee for October.

It was voted to raise funds to finance the Circle's budget through the sale of Christmas cards. Mrs. Dan Jordan and Mrs. E. Colson were welcomed as new members. Mrs. Colson was in charge of the book study. Mrs. W. H. Lair led in prayer.

The next regular meeting will be at the home of Mrs. R. Earl Smith on Oct. 27, with Mrs. Jordan in charge of the program.

New Chevrolet Is—

to convey an impression of greater size and increased sturdiness throughout.

A new, lower, wider, more massive grille with its heavier bars gives an instant impression of bigness, while the blunter, deeper hood, front splash shield, and more widely spaced fender beams head lights contribute to that effect. Greater length is indicated at once by the new elongated front fenders, which flow back into the front doors, opening with the doors as they are opened. The new fender design permits desirable clean, smooth surfaces. An ingenious touch is the new foot scraper at the front running board step pad.

Because the unusually successful Chevrolet engine developed for 1941 is retained with only minor refinements for the new year, power outputs remains virtually the same, assuring the same high performance characteristics so generally acclaimed last year. As the engine and tire sizes likewise are unchanged, insuring high climbing ability, acceleration, and general over-all performance at the 1941 level.

Much broader and deeper than before, the new hood extends back to the front edge of the front door, displacing the former cow side panel and making a clean line. Hood side panels are inter-

ral with the hood top and are raised with it, facilitating greater access to the engine compartment. The same "driver-control" method of unlatching the hood is retained from last year. Smart simplicity keynotes the hood levers, which appear to be extensions of the body belt molding.

To harmonize with other appearance units, the re-designed front end emblem is a massive shield of gleaming finish inlaid with red and blue enamel. Augmenting this striking ornament, the new hood ornament, a Special Deluxe hood side panel, shining black hood side panel, announce the model name.

Greater sturdiness is apparent in the new bumpers and front guards for increased depth makes the bumpers appear more massive and increased crown depth assures greater resistance to impact. Guards are redesigned toward a more massive appearance, and an added feature is the relocation of the front license plate guard bar spanning the tops of the bumper guards and serving as a grille guard.

On the trunk, license and trunk handle have been revised in accordance with the theme of massive-ness throughout. The trunk handle and base form a shield with the license lamp on top. Projecting from each side of this shield on the Special Deluxe and Fleetline models is a widespread pair of wings. Just above this unit the

license plate is mounted and above that appears the name Chevrolet in script. Fleetline in that series. Eye-catching color schemes have been evolved for the interior of the new 1942 Chevrolet throughout the entire line. Upholstery in the Master Deluxe and Special Deluxe series is a pleasing light gray, while a rich brown "Fleetweaver" broadcloth is employed in the Fleetline models.

NEW TEACHERS AT BELLE GLADE SCHOOL

New teachers who have been added to the staff of the Belle Glade School are: Miss Bernice Horn, Tampa, who will teach the fourth grade; and Malcolm W. Anderson, Miami, who will teach high school history and mathematics.

book order, and dental clinic projects each year, has pledged a sizeable sum to the visual education program of the school. This will secure pictures of a higher educational value than could otherwise be provided by the school.

The brightly painted and clean classrooms are doing a booming business of serving delectable lunches to the school children. It is operated cooperatively by the P. T. A. and the W. P. A. lunch room program. Mrs. Mable Snyder

is manager again this year. It would be a revelation to many parents to visit the neat lunch room, now located in the old auditorium.

The eighth grade girls are taking Home Economics twice each week, under the direction of Mrs. Elizabeth Hobson; while the boys are taking Agriculture under W. H. Kendrick.

The older boys may be seen each afternoon practicing with their piskons on the school grounds with Fred Barshell directing. There are not very many of the Red Imps out, but they expect to have lots of fun.

WEBB TO BE WITH GLADES EQUIPMENT COMPANY

W. H. Webb, who has been in charge of the bookkeeping department for the Pioneer Motor Sales company in Belle Glade for nearly six years, will become bookkeeper for the Glades Equipment company in Pahokee beginning on Monday of next week. Mr. Webb and his wife will move into one of the Mrs. Ora W. Powell apartments in Pahokee.

TAKEN TO HOSPITAL

Mrs. C. R. Wetherington of Canal Point was taken to the Florida East Coast Hospital in St. Augustine Thursday morning for treatment. She was carried in the Berry Funeral Home ambulance.
